6. Units.

a. Unit Designations. Each Unit added to the Condominium hereby is legally designated on the amendment to the Drawings filed simultaneously herewith, and attached hereto (although the same may be detached herefrom upon filing by the Delaware County Recorder and filed in separate records), labeled “Unit Designation” to “Condominium Drawings of Homestead at Highland Lakes Condominium,” by a Unit designation, which is a combination of a number corresponding with the numerical portion of the street address of that Unit, a dash (-), and a number corresponding with Declarant’s number of the building in which that Unit is situated. An example of a proper Unit designation is “52-15”. A listing of the type and composition of all Units that may be in the Condominium is set forth on the exhibit attached hereto, marked “Exhibit D”, and hereby made a part hereof. The Unit designation of each Unit added hereby and of each Unit heretofore part of the Condominium is set forth on “Exhibit E” attached hereto and hereby made a part hereof.

b. Composition of Units. Each Unit added hereby consists of the space in the building designated on the amendment to the Drawings filed simultaneously herewith with that Unit’s Unit designation, including and excluding, as appropriate, those same items as are described and defined in the description of Unit types on Exhibit D and in the Declaration. The type of each Unit is shown on the attached Exhibit E. Floor plan layouts and elevation drawings for the Units added hereby are shown on the amendment to the Drawings filed simultaneously herewith.

c. Unit Locations. The location of each Unit added hereby is shown on the amendment to the Drawings filed simultaneously herewith, and is also shown on Exhibit B. Each Unit has direct access to Common Elements leading directly to Alston Grove Drive, a public street.

a. Common Elements. All of the additional property hereby added hereto, including all of the land and all improvements thereon and appurtenances thereto, except those portions labeled or described herein or in the amendment to the Drawings filed herewith as a part of a Unit, are Common Elements.

b. Limited Common Elements. Those portions of the Common Elements that are added hereby that are labeled or designated as “limited common elements” or “limited common areas” on the amendment to the Drawings filed herewith are Limited Common Elements. These Limited Common Elements consist of a driveway area immediately in front of the garage serving that Unit, one or more unenclosed porches, in some instances, one or more patio or yard areas and the improvements within those areas (except improvements that serve other Units), in some instances, a balcony, and a yard area around the Unit. In each case, a Limited Common Element is reserved for the exclusive use of the Unit or Units those improvements are designed or designated to serve.

c. Undivided Interests. The undivided interest in the Common Elements of each Unit in the Condominium, as expanded hereby, and as thereby allocated and reallocated, are as designated on the attached Exhibit E, and, in each case, is based on a par value for each type of Unit that is set forth on Exhibit D. These par values have been assigned on the basis of various factors, including fair market values, replacement costs, relative sizes, and simplicity. Undivided interests have been adjusted at thousandths of a percent, in Declarant’s discretion, so that the total of undivided interests equals exactly 100.000%. This exhibit supersedes, in its entirety, Exhibit C of the Declaration, and all amendments thereto. The Common Elements shall be owned by the Unit owners as tenants in common, and ownership thereof shall remain undivided. No Unit owner may waive or release any rights in the Common Elements. Further, the undivided interest of a Unit in the Common Elements shall not be separated from the Unit to which it appertains.

8. Effects of Expansion. Upon the filing for record of this amendment to the Declaration adding additional property to the Condominium Property:

a. the added portion shall thereafter be subject to and benefited by all of the terms and provisions of the Declaration, to the same extent and with the same effect as if that added portion had been provided herein as constituting part of the Condominium Property, that is, the rights, easements, covenants, restrictions and assessment plan set forth therein shall run with, bind and benefit the added portion in the same manner, to the same extent, and with the same force and effect as the terms of the Declaration apply to the Condominium Property;

b. the owner or owners of the added portion shall thereupon become members, to the same extent, with the same effect, subject to the same obligations, and imbued with the same rights, as all other members; and
c. in all other respects, all of the provisions of the Declaration shall include and apply to such additional portion, and to the owners, mortgagees and lessees thereof, with equal meaning and of like force and effect.

IN TESTIMONY WHEREOF, the undersigned has executed and acknowledged this instrument this 25th day of July 2003.
