The Unit added to the Condominium hereby is legally designated on the amendment to the Drawings filed simultaneously herewith, and attached hereto (although the same may be detached herefrom upon filing by the Delaware County Recorder and filed in separate records), labeled “Thirteenth Amendment to the Condominium Drawings of Homestead at Highland Lakes Condominium,” by a Unit designation, which is a combination of a number corresponding with the numerical portion of the street address of that Unit, a dash (-) and a number corresponding with Declarant’s number of the building in which that Unit is situated. An example of a proper Unit designation is “5540-19”. A listing of the type and composition of all Units that may be in the Condominium is set forth on the exhibit attached hereto, marked “Exhibit D,” and hereby made a part hereof. The Unit designation of the Unit added hereby and of each Unit heretofore part of the Condominium is set forth on “Exhibit E” attached hereto and hereby made a part hereof.

b. Composition of Units. The Unit added hereby consists of the space in the building designated on the amendment to the Drawings filed simultaneously herewith with that Unit’s Unit designation, including and excluding, as appropriate, those same items as are described and defined in the description of Unit types on Exhibit D and in the Declaration. The type of each Unit is shown on the attached Exhibit E. Floor plan layout and elevation drawings for the Unit added hereby is shown on the amendment to the Drawings filed simultaneously herewith.

In each case, all Limited Common Elements are reserved for the exclusive use of the Unit or Units which those improvements are designed or designated to serve.

Those par values have been assigned on the basis of various factors, including fair market values, replacement costs, relative sizes, and simplicity. Undivided interests have been adjusted at thousandths of a percent, in Declarant’s discretion, so that the total of undivided interests equals exactly 100.0000%. This exhibit supersedes, in its entirety, Exhibit C of the Declaration, and all amendments thereto. The Common Elements shall be owned by the Unit owners as tenants in common, and ownership thereof shall remain undivided. No Unit owner may waive or release any rights in the Common Elements. Further, the undivided interest of a Unit in the Common Elements shall not be separated from the Unit to which it appertains.
